

Kamala Harris is a gun owner. So is her running mate, Tim Walz. They both support the Second Amendment.

They also support common-sense gun safety laws that most Americans want: universal background checks, an assault weapons ban, red flag laws that will keep guns out of the hands of dangerous people.

From her days as a California prosecutor, Kamala Harris has always fought to keep our communities safe.

Today, she leads the first-ever White House Office of Gun Violence Prevention. And she worked with President Biden – and Republicans – to pass the first major gun safety law in nearly 30 years.

Donald Trump wants to undo all that. He thinks we should just “get over” school shootings.

Well, Vice President Harris won't let another generation grow up in fear of being gunned down in algebra class.

We need to register to vote and elect Kamala Harris! She will end the epidemic of gun violence once and for all!
