

PA Events Speaker Request Form

Campus events can be a great way to attract voter attention, get students to register to vote, and build excitement about Democratic candidates. The PA Democratic Party can often make special guests available to attend and speak at your event.

Examples of special guests include campaign officials, elected officials (local, state, and federal), administration officials, and celebrities.

If your mentee chapter wants to host an event, they should complete the official Harris-Walz campaign [Surrogate Request Form](#) and email Nancy Bekavac (nancy.bekavac@gmail.com) once they have submitted a request.

PA Dems will take your request and let you know who they can make available to you. Hurry, though! Time is running out and PA Dems needs a few weeks' notice to process requests.
